Meet our Chairman:

Mr C. Harish
Shlok International
School

School is a ' Temple of knowledge ' and the dream of starting Shlok International School came into reality in the year 2019. The session began with only 25 students from Nursery to Grade II, yet the zest to create a holistic learning hub for children did not dwindle.

Our chairman, Mr C. Harish, had been brought up in the heart of Bangalore city completing his Graduation in Commerce from Christ University. This rendered him a deeper insight for holistic and quality education for the children. The urge was reinforced with the frequent visits to his own child's school in Lovedale , Ooty, wherein thrust was laid upon holistic education. He committed himself to planning the best infrastructure with excellent Sports facilities at SIS.

Believing in the philosophy of ,Quality is the KEY , he has been growing and nurturing the school with great learning outcomes. Under his able guidance the SIS faculty has been shaping each child holistically transforming his vision into reality. Being a motivating leader, he has been encouraging the team to strive for excellence .

Smells

Through all the frozen winters,
My nose has grown most scared,
That it will freeze like ice.
My nose wants lovely-lovely coloured smell,
That comes in spring time only.
The purple smell of lilac's,
On which the cows stamps,
The yellow smell of honey flowers,
Which horses eat.
All the coloured smells that blows,
Across the air of meadows,
Where bright honeybees bite.
The low red of roses.
The high white smell of clouds,
And everywhere the great white
Smell of air, the whole world over.
